EFS 5000 BUNDED WITH SECURITY CABINET

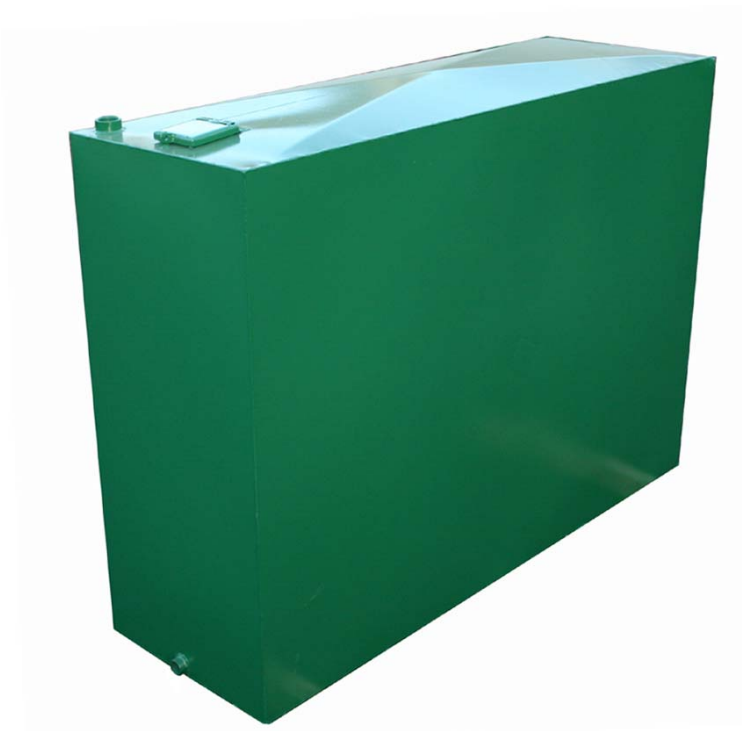

E. Fowler & Sons Ltd.

Storage tanks

EFS 1200 DOMESTIC

capacity:	1200 litres
dimensions:	length 1780mm width 550mm height 1250mm
finish:	2 coats bitumen on bottom 2 coats primer 2 coats green oxide

We supply and fit our domestic tanks including oil transfer and removal of old tank. Pictured above is the standard domestic tank. Existing cylindrical tanks can easily be replaced with one of our rectangular designs. We also stock larger tanks and can manufacture tanks to suit individual requirements. We are happy to give advice on all aspects of fuel storage and dispensing systems.
